What is the Budget Committee all about?

The Budget Committee meets annually to oversee the drafting of the City's annual operating budget. With assistance of staff, the committee meets multiple times over a series of weeks to review each element of the budget, recommend expenditure allocations and ensure proper fiscal procedures are followed. The committee is composed of a combination of citizens at large, members of the City Council and City Staff. When they have completed the budget, they submit it with a recommendation to the City Council for consideration and/or approval. The Budget Committee meets at various times, usually between the months of March and June.
